SOCIAL STUDIES 8 X-TREME REVIEW

(Sue Ann Kime and Paul Stich) An exciting new tool that centers students' attention on key content themes and critical skills necessary for high achievement on the Intermediate Social Studies Test. This short-term, end-of-the-year review employs the Task-Audience focus to improve DBQ essay writing skills – where the highest percentage of credit is routinely lost. Concentrated themes explain connectivity of major events. High-powered vocabulary listings, supported by an extensive glossary for reference, reinforce content awareness. The central activity that differentiates this review is an intense system for improving DBQ Part B writing skills. After careful analysis of the DBQ Essay task, students work unit-by-unit from model components toward writing more effective essays. Includes two unique practice tests. 8 1/2"x11" soft cover 224 pages. [Item 610](#)
